

United States Bankruptcy Court Middle District of Florida

Karen S. Jennemann
Chief Judge

Lee Ann Bennett
Clerk

DATE: August 6, 2014

FROM: US Bankruptcy Court, Middle District of Florida

TO: All CM/ECF Users

SUBJECT: New Accompanying Order List and CM/ECF Event Changes

The Court would like to make you aware of the following information.

[New Accompanying Order List](#) - Posted on the Court's external website on the Procedures page is a newly created District-wide Accompanying Order List. This list is a result of much work by our Judges and staff. It is a new tool that provides an easy reference of the motions and applications for which a proposed order may be simultaneously submitted upon the filing as opposed to those which are allowed to include negative notice and those which are scheduled for hearing upon filing.

Please note that proposed order submissions should continue to follow the established guidelines for submission of proposed orders, and proposed orders should not be attached to the motion when docketing. As with any motion, the Court may determine a hearing is necessary and the attorney will be notified accordingly.

It is the Court's hope that the Accompanying Order List, in conjunction with the Permissible Use of Negative Notice List, will assist attorneys in easing and better streamlining their practice before the Court districtwide.
